Your business matters

## We do the hard part for you

Different industry sectors require different legal expertise. But how do you know whom to turn to in order to find the right kind of know-how for your particular situation?

Fortunately, at Parfitt Cresswell we act across a **wide spectrum** of private companies and other businesses, providing each with the necessary and appropriate expert advice.

If you're aiming to establish, operate or expand your business, we can offer **a full range** of commercial law services with lawyers specialising in company and commercial law, commercial property, dispute resolution, litigation and employment – all backed up by our own Business & Management Consultancy Team. We also provide expert advice on business acquisitions, sales, mergers and reconstructions.

Whatever your business dilemma, you'll find our **diligent legal assistance** a true ally in getting you where you want to be.

### Who we are

Founded in 1908, Parfitt Cresswell has evolved into a dynamic and progressive company with a reputation for delivering the right advice efficiently and cost-effectively.

Our experienced lawyers provide a wide range of legal services to both private individuals and the business community.

The key to our success is a personal service tailored to meet your needs.

Our legal advice is expert, our service is excellent and our fees are competitive.

Stay on top by joining our **Corporate Client Group** and tap into a range of exclusive benefits designed with you in mind, free of charge – see overleaf.

Parfitt Cresswell is regulated by the Solicitors Regulation Authority.

### Commercial Property

If you're an owner, investor, developer, purchaser or tenant, you can confidently rely on our comprehensive Commercial Property service. Our experienced team deals with all types of commercial property and commercial property transactions, including large and small-scale site acquisitions and developments, freehold sales and purchases and business leases.

### Taxation

Naturally, all our clients wish to keep their tax liabilities to a minimum wherever possible. Our vast knowledge of all major business and personal tax legislation – be it Income Tax, Inheritance Tax, Capital Gains Tax, Corporation Tax or Value Added Tax – enables us to plan beneficially for businesses and individuals (and their family members).

### Dispute Resolution & Litigation

Troubles? We advise on a variety of business and commercial disputes, from disagreements over buildings and property to corporate and partnership disagreements and contention with customers. We'll help you recover bulk debts, resolve insurance and fiduciary duty claims, manage insolvency and bankruptcy proceedings and advise on all aspects of professional negligence, warranty claims and breach of contract.

### Employment Advice

Whether you're an employer or an employee, we can give sound guidance on redundancy and dismissal, working practices (including restrictive covenants, trade unions and minimum wage), disciplinary action and grievance procedures, anti-discrimination policies, contracts of employment, service agreements, compromise agreements, data protection and whistle blowing.

### Company & Business Services

Our experts will skilfully handle all your business agreements. We regularly act for clients involved in mergers, acquisitions and disposals, and advise on sales and purchases of companies, businesses and business shares. We can also deal with all your document filing and registration as required by the Companies Acts and the Registrar of Companies.

Parfitt Cresswell is a member of the Law Society's Enterprise Scheme.

### Business & Management Consultancy

Designed specifically to improve the performance and profitability of your business, our Business & Management Consultancy team has many years of experience in advising small and medium sized businesses in a wide range of markets.
